

## **Paint your heart out with Tricia Taylor 8-9 January 2027**

**10am to 4pm Studio D, M16 Artspace, Griffith ACT**

### **COURSE OUTLINE**

During the workshop we will learn principles like balance, unity, gradation plus many other tools to help tell your story in your artwork. How to use thumbnails and how to plan your story in a painting helps you know what to put in and what to leave out.

I will be using mostly landscape in my demonstrations, but you can use any subject you like.

Suitable for any artist that is looking to expand beyond just copying a photo and add your own story to your art.
